

Please continue with this application IF:

- You believe that full-time mission work is the purpose God has for your life.
- You believe that God has been preparing you for a long period of time to become a missionary.
- You feel that you just cannot be happy doing anything else with your life.
- You and your husband/wife share the same leading of God to become missionaries.

Please DO NOT continue with this application IF:

- Being a missionary sounds like a fun adventure.
- You have no job at the moment and being a missionary sounds like something that you might like.
- You would like to try being a missionary for a year or two to see if you really like it.

In other words, we are looking for people who already have made a commitment to serving God in missions, and have been preparing themselves accordingly. We are looking for people who are so driven by their purpose to become a missionary that they cannot imagine doing anything else.

If this describes you, then we would ask you to pray about whether or not Cambodia is the place that God has been preparing you to serve Him.

If after you have prayed about Cambodia and you believe that God is leading you in that direction, then please complete this application.

We would be pleased to consider your application to join with Pathway To Hope in bringing the Gospel of Jesus Christ to the people of Cambodia!
